INSTRUCTIONS FOR COMPLETING MSFC FORM 383 EMPLOYEE CLEARANCE

The Employee Clearance Form (MSFC Form 383) must be completed as appropriate for internal changes and for employees leaving the Center. For employees leaving the Center, MSFC Form 383 must be delivered to the Personnel Office.

Controlled items are: (1) keys, property, classified documents, and other items which must be signed for by an individual; or (2) ADP programs, documentation, tapes, data in machine-readable form, magnetic disks or diskettes, proprietary software, tape cassettes, and other ADP hardware and software used by specified individuals; and (3) those items which if lost, allowed to be used by, or made available to non-authorized personnel could cause embarrassment to or create a compromising situation with a Government function or operation.

Unless there are obligations, your Administrative Officer will obtain clearance on items 1, 5, 6, 8, 9, 11, 12, and 18. If you are moving from one Laboratory or Office to another, you must personally clear item 2 and must be cleared for items 3, 4, 7 and 10. If you are leaving the Center, you must be cleared for all items and you must personally clear items 2, 3, 4, 7, 10, 13, 14, 17, and 19. (Item 15 only applies to SES members; item 16 only applies to GS/GM-15 and above.)

Item 1. Your supervisor must sign as clearing official. By signing this block, the supervisor and Administrative Officer are certifying that all of the employee's computer files have been deleted and/or transferred to another user approved by the supervisor. It is understood that the ID(s) of the departing user will be deleted upon transfer or termination, in accordance with MPG 2810.1.

Item 2. Your supervisor must clear registered documents and classified materials.

Item 4. If you have MSFC-controlled ADP hardware and/or software as defined above, you must clear in person with the Office of the CIO, Building 4200.

Item 5. Employees who have been issued a Purchase Card must return the card and clear through Bankcard Coordinator. For all other employees, a phone call verification from the Administrative Officer to the Bankcard Coordinator is sufficient.

Item 10. If charged with property, you are responsible that it is turned in, transferred to another person, or appropriate adjustments are made with the Logistics Services Office and with your organizational property manager when changed to a position no longer requiring the property or prior to leaving the Center. Employees must provide their badge number when clearing in Building 4200. If you possess a government passport, it must be turned in at this time also.

Items 12 through 14. Travel fund advances and obligated service agreements must be repaid or appropriate arrangements made prior to leaving the Center.

Item 17. When leaving the Center, you must personally turn in your badge identification card and car decals to the Security Identification Section, Guard Headquarters, Building 4312. Remove decals from all cars and have them with you when you check out. If you do not know how many decals have been charged to you, call the Identification Section, Guard Headquarters (544-2090).

If the employee clearance form is not completed before you leave the Center, including the turn-in of your badge identification card and car decals, your final paycheck may be delayed. Questions should be directed to your Administrative Officer or your Personnel Specialist.
