Approved		Discipline	Initial	Date		
Approved As Noted		Architectural		09/22/2222		
Revise And Resubmit		Civil				
Disapproved/Resubmit		Structural				
Receipt Acknowledged		HVAC				
Approval of the submittals by the Contracting Officer shall not be construed as a complete check but will indicate only that the general method of construction and detailing is satisfactory. The Contractor shall be responsible for the dimensions and design of connection details and construction of work. Failure to point out deviations may result in the Government requiring rejection and removal of such work at the Contractor's expense.  Approval of a sample shall be only for the characteristics or use named in such approval and shall not be construed to change or modify any contract requirements. Before submitting samples the Contractor shall assure that the materials or equipment will be available in quantities required in the project. No change or substitution will be permitted after a sample has been approved.  Date: _____		Mechanical
