Article D-12 "Technical Direction and Surveillance"

Exhibit "B" "SRB Integration Support and Special Studies"

(These are subject to the conditions on page 2 of this form. You are hereby directed as follows):

SUBJECT

STATEMENT OF WORK

## (RSRM) TECHNICAL DIRECTIVE (PAGE 2)

This direction is consistent with the general scope of work set forth in this contract, does not constitute new assignment of work or a change to the expressed terms, conditions, or specifications incorporated into the contract, and does not constitute a basis for any increase in the contract fee or extension to the contract delivery schedule.

In the event of any exception, do not proceed with this directive but notify the contracting officer within ten (10) working days of receipt. Failure to notify the contracting officer within the stated time will constitute acceptance by the contractor of the Technical Directive and all conditions pertaining to its issuance.

This Technical Directive:

DOES increase and obligate \_\_\_\_\_ FY- \_\_\_\_\_ Hours

DOES NOT increase and obligate any additional funds.

In excess of that presently authorized by the clause of this contract entitled, "Limitation of Government's Obligation", or "Limitation of Cost", as applicable for the performance of the contract Scope of Work.

One copy of all data, analyses, and reports resulting from this effort will be forwarded to EE51/Ron Nichols on release.

*Receipt of this Technical Directive is hereby acknowledged without exception to content:*

Signed (Name and Title):
